

SCOTT CAMPBELL'S PORTFOLIO

A website dedicated to highlighting the work Scott has done to further his education and experience as a computer science student at Michigan State University.

Scott Campbell's portfolio website will show the viewer a glimpse of his work while being a student at Michigan State in the computer science department. His projects, his work at Fraunhofer, and more will be described through an easy to follow site that will be useful for him to easily show potential employers, faculty, and many others.
